10TH ANNIVERSARY SPECTACULAR

Entertaining Touches

A pretty pearl necklace or stunning diamond earrings can turn a simple black dress into an elegant ensemble. Apply that same philosophy to your everyday lamps, sconces, and chandeliers with magnetized charms that add a whole new dimension of sparkle to your holiday home. Simply decorate fixtures with garlands of evergreens and curls of wired ribbons, then affix charms, such as gilded angels, glass snowmen, and teardrop-shaped crystals to finish the look. But why wait for Christmas? You can light up your home all year long with these glittering accessories! For information, contact Magnificent Trimmings at 760-598-1956, or visit magtrim.com.
